

Exclusive Panel Option: Copay

A feature of Delta Dental PPO™

HOW DOES AN EPO PLAN WORK?

EPO Plan = PPO Provider Network

With the Delta Dental Exclusive Panel Option (EPO) copay plan, you must see a PPO provider in order to receive benefits.* If you receive treatment from a non-PPO provider, you will be responsible for all fees charged.

Advantages of the Delta Dental EPO Copay Plan:

- **SAVINGS:** With this EPO Copay plan, payments are based on a copayment schedule. Dentists submit codes to identify the services performed, and those codes determine which copayment applies. You are responsible for your copayment at the time of service. A list of codes along with the corresponding copayments can be found in the benefit booklets posted on your employer's website or that you received in the mail. You can also ask your provider to submit a pre-determination estimate. Delta Dental will review the treatment plan and tell your provider how much you'd be responsible for so you'll have a clear understanding of cost prior to treatment.
- **NETWORK:** Delta Dental is the nation's largest provider of dental insurance, covering more than 85 million Americans, and offering the largest dental network with more than **2,600 participating providers across Colorado and 113,000 nationwide**. Network providers file claims directly with Delta Dental on your behalf and accept Delta Dental's reimbursement in full.

*If your plan covers orthodontia, please note that if you are in the middle of orthodontic treatment and your provider is not in the Delta Dental PPO network, your treatment will not be covered under the EPO copay plan.
